Project Description

Has the project changed since your last submission to the fund – if so, how? Does the project still address our **guiding principles**? The Fund's guiding principles are:

- Millennium Development Goals: ending poverty and hunger; universal education; gender equality; child health; maternal health; combat HIV-AIDS; environmental sustainability; global partnership;
- Social and economic justice;
- Solidarity and the values of trade unionism and social democracy;
- Fair trade policies;
- Quality public services as a foundation of a democratic society;
- Peace and environmental sustainability;
- Human rights and gender equality;
- Decent work for all, an end to child labour and respect for international labour standards.

Has the project examined or worked to change the **root causes** of the problem? If so, how?

Does the project work with a **local group**? If so, how?

Please update **progress toward goals** and **timeline** for the project.

Financial Description

Please update the description of how the contribution will be used, and provide a budget for the project.

Reporting

Please provide an idea of future reporting for the project. Note that reporting for the contribution to the project is necessary for any further funding to be considered.
